**LX-1345 Fluid Transfer and Siphon Pump Kit**

*Multi Purpose*

**Fort Mill, SC** - The LX-1345 is an easy to use highly versatile multi-use pump. It works for fluid transfer, siphon, and air inflation. The LX-1345 comes with extra-long hoses for easier access and fluid transfer. This pump is ideal for handyman, automotive, marine, and farm use. It allows for a fast transfer of gas, oil, air and other fluids when needed. It drains up to 3 gallons per minute for fast transfers that are mess-free. Great for oil changes and siphoning gasoline. The pump also works as an air pump for inflation of toys, sporting balls, bike tires, air mattresses, pool or beach toys and much more. The LX-1345 includes long intake and output hoses, 16 inch air pressure hose, air chuck, inflator nozzle, and inflating needle. The pump comes with a chemical compatibility chart at [lumax.com](http://lumax.com).
