**LX-1809 Chain Adjustable Oil Filter Wrench**

*Swivel Handle Type*

**Fort Mill, SC** - The Lumax LX-1809 is an adjustable filter wrench that allows for a wider range of filter applications. The cushion grip handle provides greater comfort and better gripping force. The extra-long chain allows for easy diameter adjustment. The 1 in. (25mm) wide band provides a strong grip and prevents crushed filters. The studded band allows for safe and easy non-slip removal. Blackened for resistance to rust, oxidation, and corrosion. Fits filters from 2-1/2 in. to 4-1/2 in. (63mm to 114mm).
