**LX-1153 Premium Heavy-Duty Grease Gun**

*Dual-Leverage*

**Fort Mill, SC** - The LX-1153 is Lumax's heavy-duty, dual-leverage premium pistol grease gun. It has a balanced and ergonomic design that provides easy one hand operation. The cast-alloy head develops up to 8,500 PSI. The heavy-duty gauge steel barrel with wideband non-slip knurling provides for sure-grip handling. The exclusive dual-leverage features two modes, one mode for pressure and one mode for volume. The volume mode has an output of 4 oz./100 strokes and a pressure of 2,850 PSI (196 bar). The pressure mode has an output of 2 oz./100 strokes and a pressure of 8,500 PSI (586 bar). The 18 in. high-pressure ultra-flex hose with spring guard is included with the grease gun. The LX-1153 maintains pressure and grease flow even in confined spaces. The Posi-Lock follower rod with the ergonomically designed T-handle provides positive-grip and easy filling at any position. Provides 3-way loading: 14 oz. cartridge, 16 oz. bulk fill or fill with a filler pump. The LX-1153 has a chrome plated finish for maximum protection against corrosion.
